**1. Seasonal Recreational Shellfishing Permits Will Be Sold in 2022**

The Selectboard voted to bring back seasonal permits for the Summer of 2022 season.

Seasonal permits can be purchased [here](#) and are valid from **June 1<sup>st</sup>- Sept. 30, 2022.**

**2. Reminder to report your catches**

If you don't see someone from the Shellfish Department at the end of your harvest, please email [Jordan.Halloran@wellfleet-ma.gov](mailto:Jordan.Halloran@wellfleet-ma.gov) with your catch report. Be sure to include the amount harvested and the location and date of your harvest. **This helps us give important feedback to the Selectboard on the value of the recreational shellfishery and provides us with statistics for grant application opportunities.** Thank you!

**3. CBS Sunday Morning Special on recreational shellfishing in Wellfleet**

In case you missed it, CBS Sunday morning filmed a special last month on recreational shellfishing in Wellfleet. The segment titled, "Oysters: The Pearls of Cape Cod" can be found [here](#). Watch it now!
